

REMARKS/ARGUMENTS

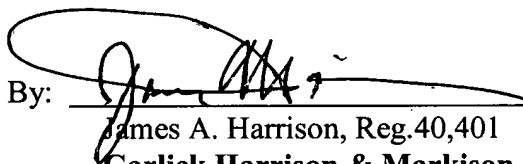

This application is a continuation of the parent application whose claims are allowed. The specification is amended to include a cross reference to the related parent application. The parent application is co-pending at the time of filing of this application is to issue as a patent subsequent to this filing. The parent application is a utility application based which claims priority to the provisional application listed in the Cross Reference section of the parent and of this application.

The originally filed claims of the parent application are cancelled herein this application and new claims are being added to substitute therefor. More specifically, claims 1-12 have been canceled and claims 13-27 are added.

Please direct any questions or comments to the undersigned attorney.

Respectfully submitted,

Date: 3/30/04
